Press Release

FOR IMMEDIATE RELEASE

9 A.M. CST – April 23, 2020

INTERNATIONAL PROPERTIES GROUP TARGETS FOREIGN BUYERS

HOUSTON, TEXAS, APRIL 23, 2020 – International Properties Group, an American owned Texas based real estate company, is attracting foreign direct investment by marketing to foreign buyers looking to invest in the United States. Mr. David's extensive history in the fields of international business, banking, real estate, and finance commands trust and confidence with his clientele. Passive investors interested in short term ROI can participate in medium to large scale rehab projects along with fix and flip transactions.

International investors focusing on multifamily, office, and shopping center portfolios are given top priority. Richard David, International Sales Agent, sponsored by EXP Realty states "I've been in the business since 1980. My objectives are to ensure our client's investment strategies are sound investments. The ability to provide them the highest quality professional service is my top priority." Investor asset management services is available for all U.S. and foreign properties.
